## SAVING ON A SALARY

Working for a salary does not mean that living expenses should consume all your earnings. The man who works week after week and spends the money as it comes in is throwing away every chance of independence.

Begin saving today—lay aside a few dollars now and you will have made a start.

We pay 4 per cent. interest on all savings accounts, and this added to the principal will soon lay the foundation of a competence.

## STRATFORD

### TROLLEY CHANGES

IN STRATFORD.

Effective Monday, Nov. 1st, extra trips, Bridgeport to Oronoque post office, will be provided, these trips to leave Bridgeport at 4:45 and 5:45 p. m. each week day. The above is in the nature of a trial to see if such service is required and will be self-sustaining, and is put into effect upon request of the residents of the section affected.

C. H. CHAPMAN, Superintendent.

The ladies of Christ church did wonderfully well with their rummage sale, realizing not far from \$80. The unsold things will be given to the Salvation Army.

Next Thursday, at the Neighborhood church, the ladies will give their annual supper.

The rumor that C. D. Blakeman had sold his milk route proves to have been unfounded. There has simply been a change of men who deliver the milk. Mr. Sherwood is to peddle the route for Mr. Blakeman.

There will be a meeting of the official board of the Methodist church next Tuesday evening.

Tomorrow at the Neighborhood church, Rev. Mr. Bullock will deliver another sermon which is 1,500 years old.

Sunday morning Rev. Mr. Farrar will take for his theme "Human Frailty." The Sunday school and the Epworth League will meet at the usual hours. In the evening the congregation will worship in the Congregational church, taking part in the service of the celebration.

It is gratifying to observe how our people patronize home dramatic talent. It is now known that "Still Waters Run Very Deep" in our town. As the play, it passed off with so much ease, perfection, and monumental satisfaction, that the applause was not stinted. L. E. Peck deserved the laurel wreath.

Harry Brown is to sing solos next Sunday evening at the Congregational church.

It is announced that L. E. Peck is a promoter of a galvanic motor boat. Several of our young men have gone into the promoting business.

Rev. Cyrus F. Stinson is not expected in town until Monday.

"How the Story Grew" is the name of a play to be given on Nov. 4 at Red Men's hall. Reserved seats can now be had.

Kenneth Peck has been over to Northport, L. I., on a hunting expedition. Charles Welles, Jr., went with him.

John Burk and Jane Bigelow are both having cellars dug for their new cottages.

Mr. and Mrs. Harold Lovell have been visiting in Forrestville.

Mrs. William Barnum has been visiting in New Haven.

A supper and dance is to be given at the town hall on Nov. 11.

Mrs. Charles Brenn, from Scotland, is visiting in town. She finds the climate of Scotland quite like that of Stratford.
